LinkedIn: [linkedin.com/in/gokul-gopan](https://www.linkedin.com/in/gokul-gopan)

GIS Analyst with experience in spatial analysis, cartography, accessibility and mobility studies. Skilled in QGIS, PostGIS/PostgreSQL, GDAL and Python-based geoprocessing for data preparation, automation and reporting.

EDUCATION

MSc Transport Engineering and Mobility 11/2020 - Present

RWTH Aachen University, Germany

Focus: Mobility and Accessibility Analysis

BTech Production Engineering 03/2015 - 04/2019

National Institute of Technology Calicut, India

EXPERIENCE

GIS Analyst | Plan4Better GmbH 01/2024 - Present

Munich, Germany

- Conduct spatial analysis and geoprocessing for mobility, accessibility and planning studies (isochrones, catchments, network-based indicators).
- Prepare and integrate spatial datasets using PostgreSQL/PostGIS; ensure data quality, documentation and reproducible pipelines.
- Develop Python tooling for spatial analytics and automation (GeoPandas, Shapely, GDAL/OGR); support data extraction, transformation and reporting.
- Produce cartographic outputs and written reports for municipal and regional stakeholders.

Sales Associate / Cashier (Verkäufer/Kassier) | ALDI Süd 08/2023 - 12/2023

Aachen, Germany

- Customer service at checkout and on the sales floor; shelf replenishment and stock handling.

Operations Associate / Shift Lead (Part-time) | Flink GmbH 08/2021 - 08/2023

Aachen, Germany

- Warehouse operations, inventory control, quality checks and order packing; coordination of shift activities and customer support.

SELECTED PROJECT WORK

Accessibility, Mobility & Planning

- Erreichbarkeitsanalyse der Parkmöglichkeiten in der Amberger Innenstadt (Accessibility Analysis of Parking Facilities in Amberg City Centre)
- Erreichbarkeitsanalysen zum geplanten Radwegprojekt „Höchste Eisenbahn“ in Amberg (Accessibility Analyses for the Planned Cycle Route “Höchste Eisenbahn” in Amberg)
- Erreichbarkeits- und Walkabilityanalysen für das Gebiet rechts der Wertach (Accessibility and Walkability Analyses for the Area Right of the Wertach, Augsburg)

- Nahmobilitätskonzept für den 23. Stadtbezirk Allach-Untermenzing (Local Mobility Concept for the 23rd City District Allach-Untermenzing, Munich)
- Fokuskonzept Mobilität Stadt Kandel (Focused Mobility Concept for the City of Kandel)
- Mobilitätsanalysen für die Stadtteile Hassels und Reisholz in Düsseldorf (Mobility Analyses for the Districts Hassels and Reisholz in Düsseldorf)
- Sharing-Mobilitätskonzept Harthof (Shared Mobility Concept for Harthof, Munich)
- Mobilitätsanalyse Scharfreiterplatz München (Mobility Analysis for Scharfreiterplatz, Munich)
- Mobilitätsanalysen Stadt Sinsheim (Mobility Analyses for the City of Sinsheim)
- Mobilitätsanalysen Südliche Weinstraße (Mobility Analyses for the Südliche Weinstraße District)
- On-Demand-Mobilitätsprojekt Schleswig-Holstein (On-Demand Mobility Project, Schleswig-Holstein)
- Mobilitätsanalyse Schleswig-Holstein (Mobility Analysis, Schleswig-Holstein)
- Kommunale Wärmeplanung Stadt Amberg (Municipal Heat Planning for the City of Amberg)
- Kommunale Wärmeplanung für Stadt Mainburg (Municipal Heat Planning for the City of Mainburg)
- Integriertes Energetisches Quartierskonzept Ortsgemeinde Altrip (Integrated Energy Quarter Concept for the Municipality of Altrip)
- Energiekonzept im Rahmen des integrierten städtebaulichen Entwicklungskonzepts Luitpoldhöhe (Energy Concept within the Integrated Urban Development Concept Luitpoldhöhe)

TECHNICAL SKILLS

GIS & Databases: QGIS, cartography, spatial analysis, georeferencing, digitising, joins & geoprocessing; PostgreSQL/PostGIS.

Programming & Tools: Python (GeoPandas, Pandas, Shapely), GDAL/OGR; workflow automation and data preparation.

Productivity: MS Office; technical report writing.

CERTIFICATIONS

- Introduction to QGIS
- Advanced QGIS
- PyQGIS Masterclass – Customizing QGIS with Python
- Python Foundation for Spatial Analysis
- Mastering GDAL Tools
- End-to-End Google Earth Engine

LANGUAGES

English: Proficient | **German:** Intermediate | **Malayalam:** Native | **Hindi:** Good | **Tamil:** Good

AWARDS & PUBLICATIONS

Best Paper Award - International Conference on Systems, Computation, Automation and Networking (ICSCAN-2019), March 2019.

IEEE Xplore publications (2019): Performance Analysis of Storage Warehouses in a Food Grain Supply Chain using Data Envelopment Analysis; Selection of Warehouse Operator by the Combination of Analytic Hierarchy Process and DEA.

HOBBYS

Cooking, Hiking, Volleyball, Badminton

07.01.2025

MUNICH, GERMANY
